

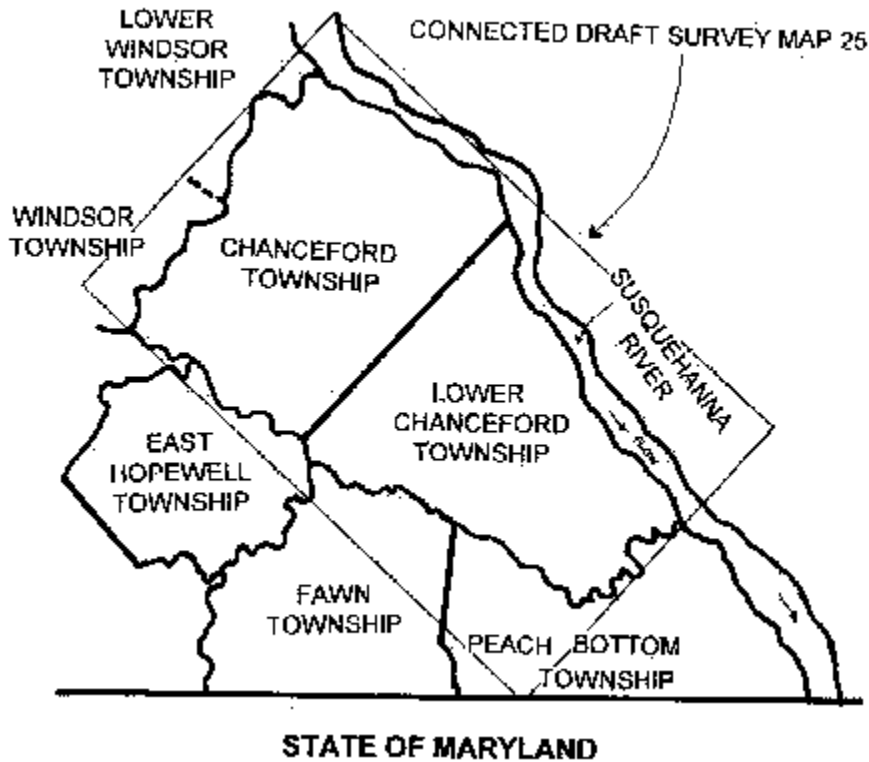

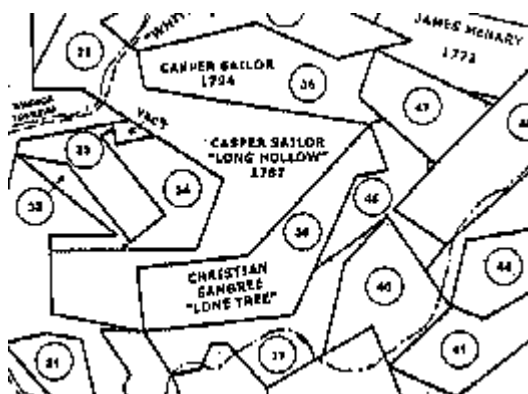

MAP 25 OVERLAID OVER 2 TOWNSHIPS:

The above graphic shows the extent of the 36 by 48 inch connected draft survey map that is a companion research piece to the warrant, survey and patent information.

Below is a section of detail from that connected draft survey map.

shown actual size: 1" = 2,000 feet

Numbers within circles indicate key to the book detail relating to that tract of land. For the two Chanceford townships, some 60,000 acres are fully detailed with source listings, on 493 individual warranted tracts.
