This work fully summarizes the process by which early colonial settlers secured warranted lands from the Proprietors of Pennsylvania. Surveys #423 to 653, indexed sequentially, are fully detailed. Additionally, boundary surveys from the Codorus Township book are indexed to bring a full perspective to the township settlement.

Geographic extent: all of Manheim and Heidleberg Townships, York County, PA; boundary tracts are included with Codorus, North Codorus, Jackson, Paradise, West Manheim and Penn Townships. Manheim Township is bounded on the south by the Mason - Dixon Line with Maryland.

The index lists some 511 family names and 124 property "tract" names. Full source listings are included.

Maps 5 to 8 are now consolidated into ONE 36 by 48 Computer Assisted Design (CAD) four color map showing the metes and bounds of all the surveys, cross indexed by survey number to the volume.
